## JUST Athought

*"Therefore, this joy of mine is now complete. He must increase, but I must decrease." (John 3:30)*

When John the Baptist made this statement, it was coming from his joyful realization that being "self-focused" would keep us blind and unfruitful and just continuing to look like us. But being Jesus focused would enable us to clearly see God's will and produce fruit and ultimately transform us into His likeness, reflecting His glory to the world.

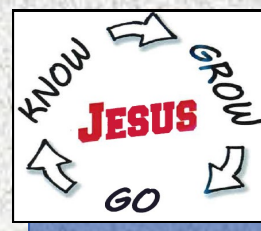

That's what I want. I want to know the joy of doing what God's doing and watch Him produce great fruit through my surrendered life. In fact, that should be the focus of the entire Body of Christ! Jesus must increase and we must decrease!

To be transformed lives  
being used to transform

## JUST Athought continued

Lord,

Increase our love for You as the greatest treasure of our hearts.  
 Decrease the love of those things that are less than You and can become idols in our lives.

Increase our love for others even when they don't show the same love.

Decrease our love for "self" and our desire to protect "self" at any cost.

Increase our faith and our trust in Your promises.

Decrease our trust in what we see and what we hear and the circumstances of our lives.

Increase our passion to make much about Jesus's reputation.  
 Decrease our passion to make much about our own reputation.

Increase our faith and trust in Your power and our willingness to provide all that we need.

Decrease our fear driven attempts to provide financial and material security for ourselves.

Increase our sense of the truth, the power, and the freedom of the resurrection.

Decrease our fear of sickness and death.

## PASTOR RICHARD WANZALA

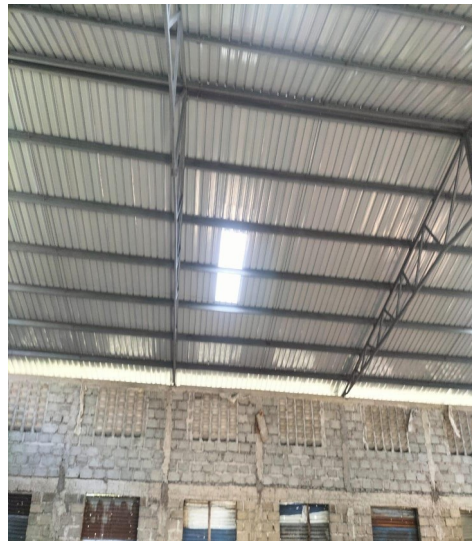

Hello and Praise God!

May I take this opportunity to thank you and the entire White Hill Church of the Brethren for the grace of God that is upon you all. My appreciation goes to Pastor Dave and the Church Board for their labor in God's vineyard in providing leadership and ultimately spiritual growth.

As a church we have been able to do the following:

### *Church Construction: Haggai 1:7-11*

We gave ourselves the burden of constructing our church sanctuary in reference to God's word. Just like Nehemiah in the Old Testament, we embarked on this gigantic project by faith from late last year to date. By God's grace, we took a bank loan to facilitate this task. This enabled us to roof the church even though we have not handled doors, windows, toilet and interior designing.

### *SPIRITUAL GROWTH:*

Our core goal is to enhance spiritual growth. As a church, we have been carrying out evangelism, Bible study, revival meetings, mid week services and prayer and fasting. Each month we have been rolling our programs geared towards imparting knowledge to our congregation. We are planning to host 50 universities students in the month of June so that they could help us do house to house evangelism.

### *Graduation: 2Timothy 2:15*

By God's grace, I was able to complete my PhD in November last year. However, official graduation was done on 13th May 2023.

Thank you all for your prayers and support.

### *PRAYER REQUESTS:*

1. Pray for financial provision towards completion of our church sanctuary.
2. Pray for families who are facing starvation due to high inflation in our Country.

May the Good Lord abundantly bless you all as we continue partnering and working together for His own glory.

Thank you.

*Dr. Richard Wanzala*
