OUR VISION:
To be transformed lives being used to transform the world.

OUR MISSION:

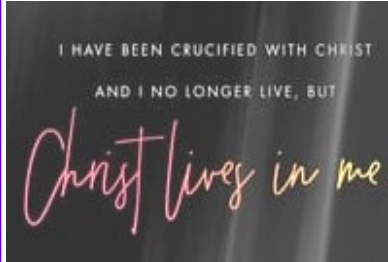

JUST A thought

Faith means being sure of the things we hope for. And faith means knowing that something is real even if we do not see it. Hebrews 11:1 (ICB)

Faith is assurance. Not like hoping for something to happen when you really don't know that it will. It's knowing that what you are hoping for will happen and even if you don't see it right now, it is real and true.

*So I am not the one living now—it is Christ living in me. I still live in my body, but I live by faith in the Son of God.
He is the one who loved me and gave Himself to save me. Galatians 2:20 (ERV)*

We live by faith, knowing that everything Jesus has said and done is true and will happen. Therefore, Jesus is living in us by faith and every single thing we think, that we desire, that we say, and that we do, is an overflow of faith

in Jesus and His life living in us.

IN this LIFE

JUST A thought

continued

Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship. Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will. Romans 12:1-2

By faith, we are daily offering our bodies, our lives down before God, allowing Him to fill us and flow through us. This is our worship! No longer living according to the world or according to self or our feelings, but we are changed as our minds are filled with Him, and we are able to know what's good and acceptable and perfect and walk in the life He has created to have. Let's live it!
